

Subpart 814.3—Submission of Bids**814.301 Responsiveness of bids.**

Where the timeliness of the submission of a bid, modification or withdrawal cannot be administratively determined in accordance with FAR 14.301, the matter will be submitted by the contracting officer directly to the Comptroller General for decision. The submission will include copies of all pertinent papers. A copy of each submission will be forwarded to the Deputy Assistant Secretary for Acquisition and Materiel Management.

814.302 Bid submission.

A bid hand-carried by the bidder or his agent will be considered late unless delivered to the addressee designated in the bid invitation prior to the time set for opening.

814.304 Late bids, late modifications of bids, or late withdrawal of bids.**814.304-2 Notification to late bidders.**

The notification to late bidders will specify the final date by which the evidence must be received to be considered. This date must be within the time allowed by the apparent low bidder for acceptance of his bid.

814.304-4 Records.

All bids received by mail (or telegram where authorized) will be time and date stamped immediately upon receipt at the VA installation mail room and in the office of the addressee designated in the invitation. This will firmly establish the time of receipt of bids, or when bids are received in the office of the addressee subsequent to the time of opening, and it will establish whether or not the delay was due to mishandling on the part of VA.

814.403 Recording of bids.

The information required for bid evaluation shall be recorded on the appropriate Abstract of Offers form (SF 1409 or OF 1419). The evaluation data may be recorded on supplemental sheets or forms such as VA Form 10-2237b, Request for Dietetic Supplies, providing that such supplemental sheets or forms are covered by one of the forms authorized above for recording bid or price data. In addition to those instructions set forth in FAR 14.403, the bid opening officer shall certify on the abstract the date and hour at which the bids were opened. Where erasures, strikeovers, or changes in price are noted at the time of opening, a statement to that effect will also be included on, or attached to, the abstract or record of bids.

(a) A copy of each invitation for bids which is canceled as provided for in FAR 14.404-1, together with the abstract showing to whom such bids were sent, will be filed in a separate folder identified by the invitation number. Invitations for bids which result in no bids being received will be handled in like manner. In each instance the abstract will be annotated to show why an award was not made. These folders

will be retained for the current and two succeeding fiscal years.

(b) The authority to approve cancellation of invitations for bid after opening and the authority to approve the acquisition after cancellation as provided in FAR 14.404-1(e) is delegated to the head of the contracting activity. 814.404-2 Rejection of individual bids.

(a) When a bid that is being considered for an award is found to be incomplete, e.g., all pages of the invitation have not been returned by the bidder, the contracting officer will take whichever of the following actions that is appropriate:

(1) Make a determination that the bid as submitted is in such a form that acceptance would create a valid and binding contract, requiring the contractor to perform in accordance with all of the material terms and conditions of the invitation. Such a determination may be based on the fact that the bid as submitted includes evidence that the offeror intends to be bound by all the material terms and conditions of the invitation.

(2) Make a determination that the bid as submitted is in such form that acceptance would not create a valid and binding contract.

(b) When a single bid is received in response to a solicitation, the offer shall not be rejected simply because it specifies a bid acceptance time which is shorter than that contained in the solicitation, unless a compelling reason exists for rejecting such a bid. Insufficient time to properly evaluate an offer shall be considered a compelling reason for rejection; however, the contracting officer will first request the offeror to extend the acceptance date of the bid to allow for proper evaluation.

NOTE: In those cases where more than one bid is received, an individual bid which is not in compliance with the Government's bid acceptance time shall be rejected as non-responsive since consideration of such an offer would unfairly disadvantage other bidders.

814.404-70 Questions involving the responsiveness of a bid.

Questions involving the responsiveness of a bid which cannot be resolved by the contracting officer may be submitted to the Comptroller General through the Deputy Assistant Secretary for Acquisition and Materiel Management, Acquisition Administration Team, or the Chief Facilities Management Officer, Office of Facilities Management, as appropriate. Pertinent documentation must accompany the submission.

814.407 Mistakes in bids.

814.407-3 Other mistakes disclosed before award.

(a) In accordance with the provisions of the FAR 14.407-3(e), the authority of the Secretary to make the administrative determinations set forth in FAR 14.407-3 (a), (b), (c), and (d) is hereby delegated, without power of redelegation, to the Deputy Assistant Secretary for Acquisition and Materiel Management. This delegation in no way impairs the delegations contained in Comptroller General decision B-122003, dated November 22, 1954.

(b) When a bidder alleges a mistake in his or her bid prior to award, after complying with the provisions of FAR 14.407-3, the contracting officer will submit the complete file to the Deputy Assistant Secretary for Acquisition and Materiel Management, Acquisition Administration Team, for an administrative determination. Based upon the evidence submitted, the Deputy Assistant Secretary for Acquisition and Materiel Management will determine the action to be taken by the contracting officer. Prior to its release to the contracting officer, this determination will be submitted to the General Counsel (025) for approval. Pending receipt of the determination, no award shall be made.

(c) Based on the evidence, when the Deputy Assistant Secretary for Acquisition and Materiel Management believes that the case should be submitted to the Comptroller General for
